

NS&I APPOINTMENTS AND REMUNERATION COMMITTEE TERMS OF REFERENCE

Context

1. The NS&I Chief Executive bears personal responsibility as Accounting Officer and Consolidation Officer for the National Savings & Investments Agency and for the business of National Savings & Investments, as determined from time to time by the Treasury through Government Accounting and other guidance. He (she) also bears legal responsibilities as Director of Savings.
2. The Chief Executive therefore remains ultimately accountable for the achievement of the Agency's objectives, and for ensuring that the Agency manages its people to achieve its strategic objective by having in place effective systems for appointment, pay, performance management, succession planning, and staff development. In discharging this responsibility, the Chief Executive will work with the Appointments & Remuneration Committee (the A&RC), which is a sub-Committee of the Board.
3. The Cabinet Office has issued guidance on the setting up and constitution of Senior Civil Service (SCS) pay committees. The A&RC is intended at a minimum to fulfil the role of SCS pay committee. Thus the following Terms of Reference are framed to comply with that guidance
4. NS&I is regulated by HM Treasury which requires it to aim to comply with Financial Conduct Authority requirements where applicable and appropriate on a voluntary basis. NS&I's Board Operating framework reflects the FCA requirements for corporate governance – it has a shadow compliance regime in place whereby all colleagues are expected to behave in accordance with the FCA's conduct rules and other key requirements.
5. Therefore, the Non-Executive Chair of the Appointments and Remuneration Committee is a pseudo SMF 12 (Chair of the Remuneration Committee) role in the NS&I Senior Manager Regime with prescribed responsibility SYSC 4.7.7R(10) for overseeing the development of, and implementation of the firm's remuneration policies and practices in accordance with SYSC 19D (Remuneration Code). The Chair is also a pseudo SMF 13 (Chair of the Nominations Committee) function. The Appointments and Remuneration Committee complies with relevant requirements of SYSC 4.3A.8 (Nomination Committee). As NS&I is a government department, these functions and responsibilities are discharged subject to the Civil Service rules on pay and appointments.
